To whom it may concern,

Re: Payment arrangements for Monash University acting as funds administrator for Monash Health.

Monash Health has entered into an agreement with Monash University whereby Monash University will be the funds administrator for clinical research conducted by Monash Health in the circumstances where the Principal Investigator has a dual appointment with these institutions. Monash University will act solely as the financial administrator for the study with no responsibility for study conduct. Monash Health retains the sole responsibility for all aspects of study conduct, as set out in the Clinical Trial agreement.

We provide the following information in regard to Monash University acting as the third party funds administrator for Monash Health clinical research studies.

- Institution name: **Monash Health (ABN 82 142 080 338).**
- Payee Name: **Monash University (ABN 12 377 614 012).**
- Is the payee the same legal entity as the hospital? **No.**
Monash Health and Monash University are affiliated institutions whereby Principal Investigators conducting clinical trials have dual appointments.
- Payee Bank Account Number: **BSB 033-289 Account No 630759.**
- Is the site account number same as the Institution's account number? **No.**
- **Invoicing details that include both Monash University and Monash Health details are attached for inclusion in Schedule 2 of the agreement.**

This arrangement has been signed off by both Monash Health and Monash University lawyers. Monash University is lawfully authorized to receive Clinical Research Funds on its behalf.

Should you have any further queries please contact our Research Governance Manager by email Michael.kios@monashhealth.org or telephone +61 3 9594 4606.

Yours Sincerely,

Professor Erwin Loh
Chief Medical Officer
Monash Health
