

# HEALTHY SPORTS CLUBS

**Are you a passionate sports club volunteer in Cardinia Shire, City of Casey or City of Greater Dandenong and looking for something to action during the COVID-19 restrictions to support your club?**

Monash Health's **Healthy Sports Club** initiative is accepting registrations and health promotion professionals are available to support local sports clubs in Cardinia Shire, City of Casey or City of Greater Dandenong during the current COVID-19 restrictions.

**Healthy Sports Clubs** is a pilot initiative in partnership and aims to take your club from good to great, focusing on improving the health and wellbeing of your club community to make it a healthy and inclusive place for all to access. Sports clubs can choose out of 9 different health areas to focus on, with Monash Health health promotion professionals providing one-on-one support.

For more information on how to get involved, contact Cassandra at:
