

Monash Health employed **specialist obstetricians** may provide full pregnancy care for women booked as a **public patient** at any site.

Specialist obstetricians may only book a private patient in a hospital where they have admitting rights. Private patients must be approved by Monash Health as self-funding or have appropriate Private Health Insurance cover.

The Specialist Obstetricians are listed alphabetically according to hospital site private admitting rights.

PLEASE NOTE: 'Private in Public' patient bookings will be at the doctor's discretion. Monash Medical Centre, Clayton
