

## MET Response at Monash Health

### **Course at a Glance**

Monash Simulation is offering a unique one-day course for MET response training. Aimed at ICU registrars, medical registrars and ICU outreach nurses, the course aims to cultivate the essential skills of crisis resource management and teamwork with workshops, skills stations and high-fidelity simulation.

### **Course topics**

Course topics will include:

- Recognition of the deteriorating patient
- ABC workshops
- Common MET calls and difficult decision making

### **Who can attend?**

Monash Health MET responders, including:

- Medical Registrars
- ICU Registrars
- ICU Outreach / Access Nurses
- Nursing Co-ordinators(NCOs)
