HEALTHY SPORTS CLUBS: STATE-WIDE SCALING

Healthy Sports Clubs is a FREE initiative for sports clubs in partnership with Cardinia Shire Council, City of Casey Council and City of Greater Dandenong Council. The framework is used to improve the health and wellbeing of local sports clubs.

Monash Health is currently scaling *Healthy Sports Clubs* to other Victorian community health services (CHS) to enable them to use the framework and support their local clubs with the initiative.

METROPOLITAN COUNCIL MAP

Healthy Sports Clubs is currently being rolled out by the following metropolitan CHS:

- **Monash Health** (City of Casey, City of Greater Dandenong, Cardinia Shire)
- **Better Health Network** (City of Kingston, City of Glen Eira, City of Bayside, City of Stonnington)
- **Access Health and Community & healthAbility** (City of Boroondara, City of Manningham, City of Whitehorse and part of the Yarra Ranges Shire)
